

Int'l Appl. No. : PCT/AU03/001634
Int'l Filing Date : December 5, 2003

REMARKS

The Specification and Claims have been amended to conform the International application to the rules of practice before the United States Patent and Trademark Office and to remove multiple dependencies. Claims 46-49 were cancelled. The changes made to the Specification and Claims by the current amendment, including ~~deletions~~ and additions, are shown herein with deletions designated with a strikethrough and additions underlined. No new matter has been added herewith. As a result of the amendments, Claims 1-45 and 50-56 are presented for examination.

Conclusion

Applicants believe that the current amendments place the application in condition for examination. Should there be any questions which might result in a delay in examination, the examiner is respectfully requested to contact the undersigned at the telephone number appearing below. Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
